ALLEGED OPPOSITION OF THE PRESIDENT TO THE CIVIL RIGHTS BILL - It is thought that a clearer insight has been obtained into the reasons for the apathy which pervades the Republicin party in the House regarding the civil-rights bill. The President, it seems, is against the bill, and from reports makes no concealment of his opposition even to the race to be beachted by the law. He was recently approached by a Republican Congressman (a colored man), who desired to obtain the President's ideas and opinions as to its adoption. Much to the astonishment of the member, and of all the colored men who have heard of it, the President expressed himself as decidedly opposed to the bill. The colored men say the President has broken every promise made, to them during the campaign two years ago, and that the defeat of the civil-rights bill is due to his influence. General Butler is reported to have said that he would consent to the striking out of the free-school clause. - Washington telegram New York Tribune.

LIGHTNING-RODS HAVE NO ATTRACTING Power. - [F: om the Danville Times, 13th.] -During the storm here Saturday evening the lightning struck the dwelling of Mr. William Crumpton in tour different places. It ran down the tin gutters at each corner of the house, and tore of the bricks below the water-spouts about four feet from the ground. There were four new lightningrods from the ground up to the top of the chimneys, and a fifth-pointer to the top of another chimney. The house was covered with tin. No serious damage was done. We have no fath in lightning-rods. In our opinion it is a uscless expense. The instance given above of a house that was provided with four rods being struck, nevertheless, in four different places goes far towards sustaining our position.

THE OPPRESSIVE TAX BILL .- A meeting of the merchants of the city was held at the hose-house last night, Mr. George M. Rucker

Captain Nowlin moved that the plan adopted by the merchants of Richmond be adopted -viz: That the officers be permitted to levy on property for the payment of the tax, and that it be submitted to under protest and with the understanding that the question will be contested in the courts. After considerable discussion, the suggest tion of the Richmond merchants was adopt-

ed, and three hundred copies of the instrue tions to merchanis, to be prepared by the committee appointed at the last meeting for the purpose, were ordered to be printed for general discribution. - Lynchburg News, 13th. RAILEOAD VOTE .- The official vote of Tazewell county on the proposed subscrip-

Narrow-Gauge railroad was as follows: For subscription, 701; against subscription, 552. The law requiring a three-fifths majority, the subscription was defeated by 32 votes .-Wytheville Enterprise.
